Thank you for allowing public comment on project 3018093 at 9666 51st Avenue South.
Please hold a public meeting to review the environmental and land use issues of the proposed clear-cutting of a large wooded lot bordering Kubota Gardens.

Our city tree cover is a vital resource and such substantial changes should be carefully considered for the health of our city and of the planet in these times of climate emergency.

Sincerely,
Alicia Hokanson
